Prices in US dollars. Instruments ship calibrated with a certificate. Service plan prices are per instrument, billed annually. Terms, volume tiers, and ordering details are on page 2.

TERMS

VALIDITY	Prices are valid from October 1, 2026 through March 31, 2027. Quotes issued before October 1 keep their quoted price for 30 days.
FREIGHT	Ground freight within the continental US is billed at cost on orders under 5 instruments and included at 5 or more. Expedited freight is quoted per order.
TAXES	Prices exclude sales tax. Tax is applied at invoice based on the ship-to address unless a resale certificate is on file.
RETURNS	Unused instruments may be returned within 30 days of delivery with a return authorization. A 10% restocking fee applies. Calibration and training are non-refundable once scheduled.
PAYMENT	Net 30 on approved accounts. Service plans are invoiced annually in advance.

VOLUME TIERS

UNITS PER ORDER	DISCOUNT OFF LIST	FREIGHT	NOTES
1 to 4 instruments	List	Billed at cost	Standard terms
5 to 9 instruments	5%	Included, ground	Single ship-to address
10 or more instruments	8%	Included, ground	Includes one remote training session

HOW TO ORDER

- Email the completed order form to **orders@apexinstruments.example**.
- You receive an order confirmation with serial numbers and a ship date within 1 business day.
- Instruments ship calibrated. The certificate is attached to the confirmation and printed in the case.
