

OFFER TERMS AND EXCLUSIONS, IN PLAIN LANGUAGE

Trade up to Meridian Pro

Trade in a Meridian Bench and take \$1,450 off a Meridian Pro, with three months of Atlas Care Plus included.

OFFER STARTS	OFFER ENDS	CREDIT	PRICE AFTER CREDIT
November 3, 2026	December 19, 2026	\$1,450	\$6,450 from \$7,900

The terms

- 1 Who the offer is for

Any Apex Instruments account in the United States that owns a Meridian Bench and orders a Meridian Pro during the offer window. One account may take the credit on more than one order, one credit per instrument traded.

2 What counts as a trade-in

A Meridian Bench that powers on, holds calibration, and has its serial plate intact. The buyer must own it outright. A unit under a lease or a finance agreement does not qualify until that agreement is closed.

3 What the credit is worth

The credit is \$1,450 against the list price of a Meridian Pro. It is applied on the order, not paid out, and it has no cash value.

4 What the price comes to

A Meridian Pro lists at \$7,900. With the credit applied the price is \$6,450, before tax and shipping.

5 What is included with the plan

Three months of Atlas Care Plus start on the day the Meridian Pro is installed. Atlas Care Plus covers priority support, one calibration, and parts on covered failures.

6 What happens after three months

Atlas Care Plus continues at \$149 per month unless the account cancels before the third month ends. There is no cancellation fee. A cancellation takes effect at the end of the month it is made in.
- 7 How the trade-in gets to us

Apex Instruments sends a prepaid crate. The Meridian Bench must be shipped within 30 days of the Meridian Pro being delivered.

8 Inspection

Every trade-in is inspected within 3 business days of arrival. Inspection is against the condition described in point 2, nothing more.

9 If the trade-in fails inspection

Operations calls the account before anything is charged. The account may send a different qualifying unit within 14 days, or keep the Meridian Pro at list price. Nothing is charged without that call.

10 Taxes, shipping, and installation

The credit applies to the instrument only. Tax, shipping, and on-site training at \$650 per day are billed as usual.

11 Returns

The standard 30 day return applies to the Meridian Pro. A return cancels the credit and the trade-in is shipped back at Apex Instruments expense.

12 Combining offers

This offer is not combinable with any other Apex Instruments offer, discount schedule, or partner pricing agreement in the same order.

What the offer does not cover

- Meridian Field Kit is not a qualifying trade-in.
 - Orders placed before November 3, 2026 or after December 19, 2026 do not qualify, including orders quoted inside the window and placed outside it.
- Accounts outside the United States are not covered by this offer.
 - The credit cannot be applied to a Meridian Pro already on an open order.
 - The credit cannot be split across two orders.

WHO APPROVES AN EXCEPTION

Dana Whitfield, COO, approves the credit amount, the terms, and any exception to them. No other person may vary a term on this page.

QUESTIONS ABOUT A SPECIFIC ACCOUNT

Jordan Vale, Account Manager, (555) 010-0100, jordan.vale@apexinstruments.example. Quote the campaign code **TRADEUP26**.

A Meridian Bench lists at \$4,850. The trade-in credit is not a valuation of the unit, it is a fixed credit of \$1,450 against the Meridian Pro list price of \$7,900. Atlas Care Plus continues at \$149 per month after the 3 included months.

Offer ends December 19, 2026. Trade-in must be a working Meridian Bench owned by the buyer. One credit per instrument. Not combinable with other Apex Instruments offers.
